To Lynda and all the amazing staff
at Inverce

Ian and I would like to thank you all for the wonderful day we all had on Friday for Natalie and Dean's wedding.

Lynda we know how hard you worked with Natalie during the planning of Natalie and Dean's wedding day. All of your hard work did not go unnoticed by us. Thank you so much.

From the time we arrived just after 9am to our departure on Saturday about 11am, we were totally amazed by all of you. Your service to us all has been commented on by all of our guests, nothing was too much trouble for any of you, right through to breakfast.

Please pass on to the chef and his staff that everyone was so impressed with the menu, the quality of the food and its presentation.

There was not one hitch over the time we stayed with you, it was the most beautiful day we could have wished for. Natalie and Dean were so pleased with everything and thoroughly enjoyed every moment of their perfect day and will be in touch when they return from their honeymoon.

Thank you so much again and we will be back soon for lunch.

Marie and Ian Daye
